*The beautiful crystal chandeliers, hanging crystals and feathers added to the shimmer of the evening.*

*This mesmerizing, dreamy wedding was conceptualized by FNP Weddings last month at their own venue Kundan Farms. The color palette was kept purple and pink.*

*Exotic flowers like white calla lilies, pink heliconia, mocaro orchid, pink anthurium, white daisies, lemonium, hydrangea, peonies, pink roses and carnations adorned the venue.*

*The décor featured pink and purple drapes with huge mirrors on the wall.*
